THE CAPTAIN'S PROMISE

A Caribbean Love Story

13 ORIGINAL SONGS • ENGLISH • SPANISH • ITALIAN

AN ORIGINAL MUSIC PROJECT BY ALESSIO FAVARETTO

THE ARTIST

Alessio Favaretto is an international Boeing 747 airline pilot and multilingual creative artist whose work moves between the cockpit and the studio. Fluent in English, Italian, and Spanish, and shaped by a childhood spent across Italian expat communities in Nigeria, Ghana, and Egypt before settling in Australia, Alessio brings a genuinely international perspective to everything he creates.

Beyond aviation, he is the founder of the BEA HERO™ personal development brand, a published multilingual author, and an independent recording artist with a catalogue of original singles released under his own name. An active social dancer in the bachata and salsa scene, Alessio brings firsthand knowledge of the rhythm and culture behind the album's sound. THE CAPTAIN'S PROMISE is his most ambitious project to date: a full concept album built around a real Caribbean cruise journey, blending Latin pop, bachata, and romantic storytelling into a single continuous love story.

Alessio is the creator, songwriter, producer, and creative director behind the project, working with AI-assisted production tools as part of his creative process while retaining full authorship of the story, lyrics, and direction. His long-term vision is to grow THE CAPTAIN'S PROMISE from a studio project into a live, touring brand — with professional vocalists, a full band, and partnerships across the Caribbean tourism and cruise industries.

THE CAPTAIN'S PROMISE is conceived as more than an album — it is the foundation of a cinematic, romantic, and adventurous music brand. The long-term ambition is to bring the project to life through professional vocalists and a full live band, to secure radio play and Spotify editorial placements, and to build genuine partnerships with cruise lines, Caribbean tourism boards, and travel organizations who share the story's spirit of romance and discovery.

Each song is tied to a real destination and mood, opening the door to focused, destination-led collaborations:

- Whispers of San Juan → Puerto Rico tourism & culture
- Stars Over Tortola → British Virgin Islands
- Sunset Deck → Cruise lifestyle & sail-away entertainment
- Bachata en el Mar Caribe → Latin dance & nightlife
- Passport of the Heart → Travel & romance audiences
